Subject: Verbal BLM concurrence - WSMC Request for Surety Release (M/027/007)

On February 8th, I called Rex Rowley of the Fillmore BLM field office. I informed him that we were processing the latest WSMC surety release request. I explained that we were proposing to release the balance of JMC's forfeited bond and returning WSMC's original \$264,080 surety bond. We would retain payment of the supplemental \$20,000 AMR funds for the time being pending final resolution of the remaining underground openings in the SWEX pit. WSMC is currently developing some closure plans and a cost assessment. These will be forwarded to our offices as soon as possible.

Rex said that he concurred with this release proposal and would send us a letter of concurrence by Monday (February 12th).
